

Goodnight moon by Shivaree

(Watch the [Video](#))

There's a nail in the

And there's glass on the
Tacks on the FLOWER / FLOUR / FLOOR

And the is on

And I always sleep with my
When you're gone

There's a blade by the

And a in my hand

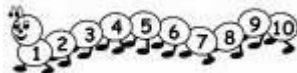

A on the floor

And some on the nightstand
When I'm all alone the dreaming STOPPED / STOPS / STOP

And I just

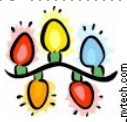

sand

What should I do I'm just a little

What if the go out and maybe

And then the

just starts to moan

Outside the door he followed me

*Well goodnight I want the
If it's not here soon I might BEE / BE / BY done
No it won't be TWO / TO / TOO soon 'til I say*

Goodnight

Now listen to the next stanza and find the right order :

A crazy old neighbour and he's been watching me	Now it's out of my hands
And a witch in the tree	Something's under the bed
And I hear something scratching through the wall	There's a big black crow sitting on my window ledge
And there's footsteps loud and strong coming down the hall	There's a shark in the pool

*Oh what should I do ...
and maybe I just hate to be all alone
Outside the door he followed me ...*

Well you're up so HIGH / HEY / HI
How can you SAFE / SAY / SAVE me
When the dark comes HEAR / HERE
Tonight to take me up
To my front walk

And into where it kisses my

And eats my

Oh What should I do...
